Pupil Transportation

Whether transportation services is facilitated by the Newark Public Schools or by a vendor bus company, it is OPTs core value to provide safe, timely and efficient transportation services for all Newark students who are eligible for transportation services! Advise parents of the procedure of appeal.

K

Individuals hired as a monitor or attendant after July 1, 2003, must take and pass a physical performance test before they may assume their duties. Such instruction shall be rescheduled and completed as soon as practicable.

Transportation / Office of Pupil and Fleet Management

A non-transportation zone is an area of a school district designated by the board of trustees which is impracticable, by reason of sparsity of pupils, remoteness, or condition of roads, to be served by established bus routes. If you feel that your topics are not being addressed in a timely manner, call the principal of your school.

Pupil Transportation

One-third of these students are transported on district owned buses, one-third ride contracted buses, and one-third of our students utilize public
