Ashley Helme

The inference from this is that the Bittoms car park is beyond the area where landmark buildings could be appropriate or taller buildings could be acceptable because they would not generate harmful impacts; the area is heading towards the edge of the town centre, and beyond the quarter where tall buildings could be appropriate.

Ashley Helme

In terms of dwelling numbers, it is reasonable to consider that through a more innovative design and improved housing mix, more than 200 homes could be provided on the site.

AGORA REDEVELOPMENT WORKING GROUP

Planning professionals were key in leadership and delivering outcomes. .

Clone Town High Streets Tourism Essay

It sets out a commitment to reduce car travel and support alternative modes such as walking, cycling and public transport.

Planning, economy, place: literature review

The examples have all been planned and commenced, allowing some comment on early economy and place outcomes.
