Department of Health and Human Services, n. Getting Off Welfare and Staying Off: Racial Differences in the Work Route Off Welfare, in Latinas and African American Women at Work Irene Browne, ed.

Annotated Bibliography

The selected papers of Jane Addams. TL539 L42 2002 Martin, David G.

Annotated Bibliography

The buffer zone hypothesis is implemented in some software tools for geographic offender profiling, a technique that has been developed to help the police prioritize suspects of serious crimes.

Women's Bibliographic Resource List II

Distance decay is usually explained by the principle of least effort: The effort an offender must spend on moving to a target is a monotonically increasing function of distance.

Women's Bibliographic Resource List II

Loving Warriors: Selected Letters of Lucy Stone and Henry B. It showed that a majority of the time men who abuse women are not only likely to partake in the services of the sex industry but that they have a major need to have power and control. It contains information to help young girls deal with their body image and prevent obesity and diabetes.
