## THE DIGITAL ECONOMY: PROBLEMS AND PROSPECTS

The key question then is what happens in the intervening years? Instead, however, President al-Sisi is crying wolf out of his need for rents from external patrons and loyalty from his own, fearful citizens, thereby scaring off many potential investors. Military regimes are out of step with the times.

## Economic Prospects and Policy Challenges for the GCC Countries

In August 2015, for example, hundreds of police demonstrated in Sharqiya against the Ministry of Interior, which responded by alleging their ranks had been infiltrated by members of the Muslim Brotherhood, an allegation also made in response to previous police strikes in Alexandria and Kafr al Shaykh in February 2014 Ahram Online, 2015a.
