### Military Units: Marine Corps

As soon as you put two or more people in the same room, a whole new set of factors comes into play, including jealousy, illogical pettiness and

one-upmanship, all of which can lead to conflicts that obstruct the goals at hand. Aside from coordinating and carrying out airstrikes against ISIS and other militant groups around the world, the branch also had to maintain its typically high level of readiness. This means you cannot leave to avoid disciplinary action.

### **Get Promoted Fast in the Marines**

The Army began issuing shotguns to soldiers during World War I to help clear trenches, and has been issuing the M500 since the 1980s. The ammo later exploded before the Army crew could be rescued.
