Parliament of Uganda

In the , the ruled that British courts could have powers to overturn British legislation contravening European law. The titles of those three officials refer to the Committee of Ways and Means, a body which no longer exists.

Houses of Parliament

Scotland formally became a part of the United Kingdom in 1707, and thus sent

representatives to the Parliament at. There are also mechanisms that allow members of the House of Commons to bring to the attention of the government particular issues affecting their constituents.

Parliament (band)

During the 20th century, the Government has lost confidence issues only three times—twice in 1924, and once in 1979. Instead, the State Opening of Parliament proceeds directly. From 2012 onwards, the ceremony has taken place in May or June.

Parliament of Western Australia

Many votes are considered votes of confidence, although not including the language mentioned above.

Parliament

All continued to sit in Parliament, but the , and later Acts, provide that only the 26 most senior are Lords Spiritual. Parliament decides what
