## The effectiveness of using interactive white boards in improving the Arabic listening skills of undergraduates majoring in Arabic language at Kuwaiti universities

Though the teachers get training on CLT and skills development skills but they do not have the scope to use that in the real situation. I would like to welcome all of you in my Presentation today. ELT Journal, 65 4 , 446—457.

### Feasibility study of a family

Therefore, the range of potential scores on the CFIS is 0—33, with 33 representing the highest level of functional impairment across tasks.

### A Feasibility Evaluation of the Incredible Years® School Readiness Parenting Programme

By providing parents with education, counselors are able to equip parents with skills to manage defiant behaviors and reduce rates of child non-compliance. To do that, school authorities should recruit more teachers so that teachers may prepare authentic lessons or try new innovative tasks. These included issues and limitations related to time, resources, cost, space, patient confidentiality and referrals.

### USE OF ICT IN TEACHING AND LEARNING OF ENGLISH LANGUAGE

Background information Of the total 41 children who participated at baseline, 31 75. Teaching Turkish as a foreign language with interactive whiteboards: A case study of multilingual learners. As for teaching practice, they have implemented the CLIL principles although they did not realize it.
