NEW VIDEO 2017-11-27 Heads up, people! You know who you are! I have one white male left from this breeding. As with all dogs, introductions to babies should be gradual, though most Standards will tolerate a baby and learn to be gentle and will respect toddlers so long as the child is supervised.

### PuppyFind

If you pick a breed that's prone to packing on pounds, you'll need to limit treats, make sure they get enough exercise, and measure out their daily food servings into regular meals rather than leaving food out all the time.
