Nazi Family Policy, 1933

Kristen Stromberg Childers, Fathers, families, and the State in France, 1914

. This original, well-researched, engagingly written, and thought-provoking book explores the evolution of the legal position of fathers, then relates fatherhood to the origins of the welfare state and growing anxieties in the mid-nineteenth century about depopulation and family breakdown. Issues devoted to a single theme appear from time to time.

Fathers, Families and the State in France, 1914

quizapp.evertonfc.com: Fathers, Families, and the State in France, 1914â€“1945 (9780801441226): Childers, Kristen Stromberg: Books

Besides interesting modern French historians, the book should be useful for comparative historians of welfare, of war and peace, and of the reality and representation of men's and women's lives under fascist, authoritarian, or totalitarian regimes. This original, well-researched, engagingly written, and thought-provoking book explores the evolution of the legal position of fathers, then relates fatherhood to the origins of the welfare state and growing anxieties in the mid-nineteenth century about depopulation and family breakdown. This is followed by a consideration of the dissemination of Nazi family ideals by means of education and socialization.

Fathers, families and the state in France, 1914

Participants in both the public and private sphere found themselves drawn into a discussion about nothing less than the nature of government, the shape of the modern family and the future of the nation. Despite the rhetorical acclaim they received, fathers were unnecessary and even inconvenient to the projects of a state determined to protect mothers and children, and ultimately fathers' interests lost out to the expanding rights of the family. In October 1941, a new representation of France appeared on the pages of the newspaper Familles de France.

Fathers, families and the state in France, 1914

The Parisian office of the General Commissariat on the Family opened its doors again on August 28, and a few days later Robert Prigent was named interim Commissioner on the Family.
