What I Learned From Writing My 2nd Book (ft. Jersey Marie)

As unsatisfactory as this situation may be, we must not lose sight of the humanitarian imperative, which remains categorical. The first part of the first sentence in this Lede paragraph is from 2006 and therefore out of order.

Dr Ali's ultimate back book (2002 edition)

There are significant areas of agreement among the actors involved. The directress should act as the go-between in these matters, since she is in the confidence of the mothers, and since from her, such advice comes naturally.

United Nations in Twenty

Perpetuation of psychological disturbance When our capacity for self-regulation is functioning well, we can 'catch up with ourselves' and recover from psychological disturbance. She invited me to recall the foods I ate as a child.

What I Learned From Writing My 2nd Book (ft. Jersey Marie)

I applied several techniques and it smoothly corrected the situation. I had no childhood trauma and am very skeptical of psychoanalysis in general, so there were large sections of the John Sarno book that I kinda shrugged off and skipped.

Anorexia and the Diet Delusion: Healthy Eating Post

With luck the Wiki community will see through their ways, and again see how inappropriate their behaviour is. The question is how successfully we will meet them.
