## NOM

ArcelorMittal, for example, embedded sustainability in its organizational design through a department for scientific analyses of the life cycles of steel products.

Filesize: 7.41 MB

## A chemicals industry safety strategy

Large-scale outbreaks will also require rapid procurement and distribution of large quantities of drugs and vaccines, which must be available quickly. We strive to provide individuals with disabilities equal access to our website.

## A chemicals industry safety strategy

Yes, assuming the facility also meets the employee threshold of at least ten full-time employees or the equivalent. Under this agreement, the government agrees to provide a certain level of funding each year to the CRC, and CRC participants agree to undertake certain activities and contribute specified personnel and resources.

## NOM

If they do materialize, then these risks are likely to become even more pronounced. Because these two operations are located on adjacent properties and are owned by the same person they are considered one facility for EPCRA section 313 reporting purposes.
