The unfinished Critias treats of lost Atlantis. Greek and English Edition Book.

Laches ; Protagoras ; Meno ; Euthydemus (1990 edition)

Linguistic tests including those of computer science still try to establish the order of his extant philosophical dialogues, written in splendid prose and revealing Socrates' mind fused with Plato's thought. In early manhood an admirer of Socrates, he later founded the famous school of philosophy in the grove Academus. The Apology not a dialogue , Crito, Euthyphro, and the unforgettable Phaedo relate the trial and death of Socrates and propound the immortality of the soul.
