### Laos

Women Travelers: See our travel tips for.

### Laos

Over seventy percent of the country comprises high terrain, with chains of mountains reaching heights of over 2800m running its entire length. Motorcycles carry as many as five people, greatly impeding the drivers' ability to react to traffic.

### Laos

Unfortunately, though NBCA status means government recognition of their biodiversity, this status has not conferred any real protection see Southern Laos. The Friendship Bridge that connects Vientiane to Nong Khai, Thailand, closes from 10 p.

### Laos International Travel Information

Mountain biking With some of the best untamed scenery in Southeast Asia, many unpaved roads, and little traffic, Laos is becoming a very hot destination for cross-country mountain-bike touring. Water Safety: Travel by speedboat on rivers in Laos is dangerous, especially when water levels are low.
