Ion, Rodica-Mariana, Adrian Radu, Sofia Teodorescu, Irina Fierăscu, Radu-Claudiu Fierăscu, Raluca-Maria Știrbescu, Ioana Daniela Dulamă, Ioana-Raluca Șuică-Bunghez, Ioan Alin Bucurică, and Mihaela-Lucia Ion.

Dissertations / Theses: 'Baptists

Foram priorizadas nesta reflexão as relações entre Brasil e Estados Unidos nas décadas de 1960 e 1970, buscando assinalar como a sociedade norteamericana nesse período questionava a política externa adotada pelo seu país, principalmente no que se refere à América Latina. Abstract sommario : Evangelical Church had an important role in the GDR as far as the activities of opposition at the beginning of 1970s and 1980s are concerned.

Dissertations / Theses: 'Baptists

These findings can be helpful to future Lutheran and other Christian church leaders.

Частини книг: Ombudsman de

These methods will use an intensity database established by modelling scenario earthquakes in the open-source software ShakeMap by the U. This negative emphasis has got in the way of a more nuanced assessment of the missionary contribution during these years.

Тези доповідей конференцій:

BMJ Publishing Group Ltd and British Cardiovascular Society, 2018. This was then iteratively refined by applying the coding scheme to a broad range of video footage of people exposed to strong shaking during the Canterbury earthquake sequence.
