## Hand carved vintage wood candlesticks

The sights of endless types heartfelt wooden creations and the smell of 30 different types of wood found throughout Sweden and beyond strike you immediately upon entry.

## Kanevad Träsnideriet

Linköpingsborna, kom tillbaka, eller upplev för första gången, den bästa butiken i vår stad! Träsnideriet startade i Gamla Linköping redan 1962. Many of his works were made from left over wood from houses that were torn down in Gävle in the 1950-60s, often pine from the 17th and 18th century. Well known designers such as Bruno Mathsson, Tapio Wirkkala, Bertel Gardberg, Hans Wegner and many more fully embraced the new material and created objects that would later become classics.

## Linköpinglivin': Why It's So Cool To Live in Linköping: Part 3

He also won diplomas at the Milan Triennale and in Florence in 1954.
