What Maisie Knew: Experiencing Dysfunction Through the Eyes of a Child

The premise is horrible - a child used by her divorced parents in a horrible game of revenge, forced into an adult frame of mind she barely understands but somehow manages to embrace.

The Project Gutenberg eBook of What Maisie Knew, by Henry James

Quite shocking but very real. That's one, only one, but charming so far as it goes, of about a hundred things we love her for.

What Maisie Knew (film)

This art again came to her aid: her mother, in getting rid of her after an interview in which she had achieved a hollowness beyond her years, allowed her fully to understand she had not grown a bit more amusing. Lincoln is a natural with kids; he tells Maisie a story about eating paste and crayons and they get along just fine.

The Project Gutenberg eBook of What Maisie Knew, by Henry James

He addressed himself in his quest, however, only to vague quarters until he met again, as he so frequently and actively met it, the more than filial gaze of his intelligent little charge. Wix, he somehow got out of the room, leaving Maisie under the slight oppression of these words as well as of the idea that he had unmistakeably once more dodged.

What Maisie Knew and The Pupil by Henry James

She had so many lovers, she didn't hear when she cried. All in a moment too that queer expression had leaped into the lovely things--all in a moment she had had to accept her father as liking some one whom she was sure neither her mother, nor Mrs. Yes, she met him too in the truth of the matter that, as her stepmother had had no one else to be jealous of, she had made up for so gross a privation by directing the sentiment to a moral influence.
