World War II German daggers

The 1936 model SS dagger has alternating links of skulls and runes. They were all ceremonial dress daggers to be worn by German officers and high ranking officials in public and official gatherings. Our 50+ years of service has given us an unprecedented advantage in the German militaria market.

World War II German daggers

The national anthem was tampered with the addition of Hitler salute, achieved by raising the right arm forward. Sword collectors are also opening up trade centers and auction sites online with these short swords nowadays, creating a lucrative market for these war memorabilia in spite of its short history.

German Daggers & Knives

Adolf Hitler and his party united political power in this period of social unrest, crushing all opposition and establishing dictatorship. The new website will be easy to use and we will be putting new items on it for you to purchase. The year of manufacture is normally found following the 3 or 4 digit code.

Blades of the Black Guard

Logos were also taken from this series as well as Tom Wittman's book Exploring the Dress Daggers of the German Army.

9781852601454: Daggers, Swords and Bayonets of the Third Reich

Please visit his site listed in the Links section of this site. Besides the standard dagger, special presentation models were given in 1934 by Ernst Röhm, leader of the Sturmabteilung SA — brown shirts to members of the SS old guard. They were responsible to the many crimes against humanity, including genocide and the Holocaust.

German Daggers & Knives

The blade of the Hitler Youth dagger is two-edged rounded, instead of tapered, to its point. It has been said that Nazi daggers are second in quality and making to world-renown Japanese daggers and.

Daggers Swords And Bayonets The Third Reich
