## Terrorism: A Definition and Analysis

Deconstruction is, however, much larger than just metanarratives, it seeks to deconstruct language as a whole — the power it carries, the power-relations it produces and the constructed narratives that encompass all of these concepts and become so naturalised Chouliarakis, 2010. Still, it is not a state endeavor and should not be considered as such. For the crime of aggression under international law, see: Resolution on the Definition of Aggression, adopted by the UN General Assembly, Dec.

## **La vinculación entre geopolítica y seguridad: algunas apreciaciones conceptuales y teóricas/ The link between geopolitics and security: a conceptual and theoretical assessment**

The de facto condition of Hobbesian anarchy within which Israel must make its pertinent assessments and calibrations stands in stark contrast to the legal assumption of solidarity between states. It is argued that this has become naturalised in our normal use of language, and we have become so accustomed to power that we fail to experience it Thomassen, 2017.

## **Contesting the Secular West: Religion**

A state is presumed to be rational to the extent that its leadership always values national survival more highly than any other conceivable preference or combination of preferences.

## A Critical Evaluation of Poststructuralism's Contribution to Security

Copublished with the University College London Press Project MUSE Mission Project MUSE promotes the creation and dissemination of essential humanities and social science resources through collaboration with libraries, publishers, and scholars worldwide. New York: Academic Press, pp. Poststructuralism entered into the foray of IR and by extension Security Studies in the 1980s through the work of Ashley, Der Derian,

Shapiro and Walker Ibid.

### **Contesting the Secular West: Religio**

For the moment, at least, Joe Biden has identified no specific military doctrine for tangible application in this theatre.
