The History of English Law before the Time of Edward I by Sir Frederick Pollock, Frederic William Maitland, Paperback

England under the Norman Kings, pp. The epidemic which was raging on the continent reached our shores; but it came here late and mild. This work is of interest to legal scholars, historians of the Middle Ages, political scientists, political philosophers, and all those interested in Anglo-Saxon law and early law and society.

9780865977495: The History of English Law before the Time of Edward I

The book is nominally about the law from Saxon times until 1290, but the real focus is the period from 1160 to 1275 -- roughly, the period from Henry II to Edward I. Even if I had to stop and look up a lot of terms, which almost invariably led me to distraction.
