### How to Prepare for a PGCE Interview

To submit your UCAS PGCE application, you will need a winning personal statement, and an attitude to match. You can make your application in Apply 1 from November in the year prior to entry.

### Write a great application for teacher training

In common with other CV's a teaching CV should be clear, easy to read and well structured. Be prepared with some suggestions of what you would change with hindsight. The peak time for this is February to June, although jobs may appear throughout the year.

### Write a great application for teacher training

. Find out more about this fast track route into teaching by clicking below. Why do you want to work in our school? What qualities will you bring to teaching? Interviewing will take up most of a school day and will follow a certain format that each university follows; depending on the key stage you are applying.

### PGCE Application Advice

Admissions teams go through thousands of documents every year, and it is imperative that yours stands out as much as possible if you wish to be successful in achieving a place on a PGCE course. Refer to the visit and why you want to work with them in your application, ideally in the cover letter. Could be an issue with 2 hours each way travel to school each day on public transport.

### Interview questions for teacher training

Plus, the PGCE is an internationally recognised qualification.
