racism

Super accessible, not to linguistics-y, really interesting. That tendency has persisted well into the 21st century.

Why I teach a course called 'White Racism'

We cannot offer legal advice in response to specific problems. After her crowning, the internet promptly exploded with messages of pride from the Latina community.

Why empathy is the key to dismantling white racism

Tell me, if White people really had any control over this system, why would the following ever occur? For instance, I recently read a post where the writer argued that when a person of color moves into a white neighborhood, they are instantly scrutinized, as their neighbors make snap judgments about their integrity.

The Difference Between Racial Bias and White Supremacy

It is discouraging, but perhaps not surprising, then, that white employers will, generally, see white applicants with white, middle-class perspectives as a better fit than a person of colour whose first language is not English. They were riddled with guilt and conflicting loyalties, while being complicit in the system of flagrant racial injustice. The Newberry Library, Gift of Louise St.
