## Doubleday - Is Leadership an Art or a Science?

Leadership is an art expressed by the demonstration of characters worthy of imitation, emulation and inspiration. It is neither a title nor a position.

### Leadership Is an Art by Max DePree

Posters and wall art are there for a reason.

### Is Leadership an Art or Science?

And that's a great point you bring up about how coaching others to become better leaders also requires that balance of incorporating science and art into the process. Much may seem like adages here, but there is much wisdom distilled from years in leadership at Zeeland, Michigan's Herman Miller. Interesting question, some great comments.

### Monthly Leadership Activity

Theater groups such as Punchdrunk, Complicite, and Steppenwolf all find success by bringing together just the right mix of writers, performers, musicians, designers, marketers, and financiers to create dazzling works that no one could create alone. And I think that's where for businesses there's that appeal for trying to make leadership more of a science; that if we can understand what works best and why, we can replicate not only across our various departments, but in other markets or disciplines.

### Leadership Is an Art by Max DePree

Each month, ELP offers a discrete and actionable leadership tool that can be deployed in 30 minutes or less. The thing is: anyone at any level of an organization can be a great leader.

### Leadership Is an Art by Max DePree

The latter approach to organizational relationships, according to DePree, is a significant contributor to the problem of capitalism, as it tends to promote hierarchy at all costs and discourages true inclusiveness. The book talks about the meaning of leadership in the authors own words. I look forward to hearing how others view leadership.

### Every Leader Is an Artist

I would have preferred a clearer structure and more cleanly delineated concepts.
