## Responding to COVID

Vermont Vermonters are advised against non-essential travel, including within the state. Recognizing that an individual may not have their test results before travelling, quarantine is intended to serve that same purpose, to prevent the spread of the disease.

## Pennsylvania Travel Vacation Guide

The Order is an enforceable disease control measure authorized by the Disease Prevention and Control Law. As case numbers increase nationwide, persons traveling to Pennsylvania or returning to Pennsylvania after travelling out of state risk bringing COVID-19 into the state and potentially infecting others.

## Official Pittsburgh Travel Guide

Motorcoach providers include Elite Coach, Susquehanna Trailways, Academy, and others. Would I still be covered by the order? Employees who tested for COVID-19 prior to their return to Pennsylvania, but who do not have their actual test results upon arrival, are required to travel quarantine until their test results are obtained.

## Free Happy Traveler Guide

The additional amendments to that Order changing the time frame from a 14-day travel quarantine period to a 10-day quarantine period took effect immediately upon issuance of that amendment.

## State Travel Restrictions During COVID

Additionally, the state asks all travelers to get tested one to three days before travel and to cancel travel and quarantine for 10 days should a positive result be obtained. Sheriff vehicles have a thicker blue line first followed by a thin yellow line.
