An Essay Contributing to a Philosophy of Literature

Literature affects the society in two ways.

Heretical voices: the reasons of the essay in modern and contemporary literature

Good, Graham, The Observing Self: Rediscovering the Essay Routledge, 1988. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. Any literature material has a basic objective of passing on moral virtue to the target audience.

Plato and Aristotle on Literature

Parts have been revised, parts developed, and parts re-written, in the hope that the work will be found every way less unworthy of the subject. In one way, the effect results from actively reading while the other way, the effect results from passive observation but all of them stimulate our emotions and minds hence attain different conceptions of morality and ethics in the society.
