### Developing Your Support System

The confidential relationship between the mentors and the school leader will focus on developing the skills and dispositions in four critical areas of school level leadership. Each person takes turns being the supporter as life happens.

### State Support Network

For example, if a student demonstrates the mastery of a new concept in an online learning platform, that might be reflected in an app that the teacher or families use to track student progress. Your support system should be just that, supportive.

### BLUEPRINT SCHOOLS NETWORK, INC.

Psychological Science 14 4 , 320-327. To me, a PLN includes the organizations, communities, and individuals who help me learn and grow as a professional.

### Building Community

With new knowledge about how networks operate, Alltop decided to accept an offer to become conductor of the Cheyenne Symphony Orchestra in Wyoming. Give more than you ask to receive.

### How to Build Your Network

Related: Be generous when others need introductions or advice and offer them your support.
