Tested: Subaru Wilds Out with the 2022 Outback Wilderness

There's lots of room in the back seat and behind it. Who doesn't like a chunky hatchback? The result looks like a Subaru Outback that spent six months in the gym. Over the years, the Subaru Outback has certainly startled many a knobby-tired SUV driver by appearing on a trail long past the closest paved road, and the 2022 Outback Wilderness makes it that much easier to pick your way past the pavement.

This book is in good condition but will show signs of previous ownership. Please note the image in this listing is a stock photo and may not match the covers of the actual item, 300 grams, ISBN: 0563092815. Alternatively, drive US 550, 4 miles north of NM 57, and turn west onto County Road 7500.

Wilderness and Plenty.

Not speaking from experience or anything. Not every vehicle needs to be a high-strung thoroughbred, and what you give up in high-speed cornering you can enjoy in cushioned ride comfort.

Grubby book may have mild dirt or some staining, mostly on the edges of pages. External changes might not be obvious to non-Subie fans, but current Outback owners will notice how the Wilderness tucks the corners of the front fascia for better cliffside clearance and extends the plastic cladding up the nose and above the wheel wells to lessen the likelihood of shrub-related scratching.

Innisfree Farms

It can't steamroller its way over obstacles like a , but it climbed some steep, shaley hills with all-wheel-drive aplomb. Get to know the friendly faces behind the brown shirts, and take advantage of the great amenities waiting for you.
