### SALLUSTIUS CRISPUS, Gaius. De coniuratione Catilinae historia. Eiusdem De bello Iugurthino .... Paris: R. Estienne, 1544. 8°, woodcut device on title (title very lightly soiled). 18th

Per eas se Catilina credebat posse servitia urbana sollicitare, urbem incendere, viros earum vel adiungere sibi vel interficere. Iam pridem equidem nos vera vocabula rerum amisimus: quia bona aliena largiri liberalitas, malarum rerum audacia fortitudo vocatur, eo res publica in extremo sita est.

### SALLUSTUS Crispus, Caius. De coniuratione Catilinae historia.

Res ipsa hortari videtur, quoniam de moribus civitatis tempus admonuit, supra repetere ac paucis instituta maiorum domi militiaeque, quo modo rem publicam habuerint quantamque reliquerint, ut paulatim immutata ex pulcherruma atque optima pessuma ac flagitosissima facta sit, disserere. Igitur domi militiaeque boni mores colebantur; concordia maxima, minima avaritia erat; ius bonumque apud eos non legibus magis quam natura valebat. Caesar dando, sublevando, ignoscendo, Cato nihil largiendo gloriam adeptus est.

### De Catilinae coniuratione, proemio

Ipse praesidiis dispositis Lentulum in carcerem deducit; idem fit ceteris per praetores. First, because actions must be equalled by words, next because most men think that which you rebuke as crimes are said because of dislike and jealousy. Fallito l'agguito, Cicerone pone sotto accusa Catilina in senato.

### PerseusCatalog

Nos eam rem in medio relinquemus. Sed nostra omnis vis in animo et corpore sita est: animi imperio, corporis servitio magis utimur; alterum nobis cum dis, alterum cum beluis commune est.

### PerseusCatalog

Provenance: Hopetoun House bookplate -- Thomas Edward Watson bookplate; by descent to the present owners. Marius in exercitu habuisse dicebatur. Sed ego quae mente agitavi, omnes iam antea divorsi audistis.

## **De Catilinae coniuratione, proemio**

In den Kapiteln 39 bis 49 wird die Handlung fortgesetzt: Die Verschwörung wird aufgedeckt durch den Verrat der , Gallier, mit denen Catilina sich zu verbünden hoffte; die Anhänger Catilinas, der selber die Stadt bereits verlassen hatte, werden verhört. Qui demissi in obscuro vitam habent, si quid iracundia deliqueret, pauci sciunt: fama atque fortuna eorum pares sunt; qui magno imperio, praediti in excelso aetatem agunt, eorum facta cuncti mortales novere. Piso, adulescens nobilis, summae audacie, egens, factiosus, quem ad perturbandam rem publicam inopia atque mali mores stimulabant.
