## FY 2005 Annual Report to Congress

When sexual harassment constitutes sex discrimination covered by Title IX, the final regulations hold schools accountable for responding in ways that restore or preserve a complainant's equal access to education.

## Federal :: Nondiscrimination on the Basis of Sex in Education Programs or Activities Receiving Federal Financial Assistance

Few Asian Americans lived outside California, Hawaii, Washington, and New York City. One of these commenters argued it was the Department's job to protect the civil rights of students, not to help shield schools from accountability.

## The State of Health Disparities in the United States

Alternatively, perpetrators may be prosecuted under a specific penal statute that addresses 1 abuse of vulnerable adults which either by legislation or by judicial interpretation has been extended to include elder persons , 2 elder abuse in general, or 3 financial abuse of the elderly specifically ;. The medicalization of the practice—in addition to the onslaught of regulations, licensure requirements, and other stipulations—erected barriers to midwifery care and made it much harder and more costly for women of color to practice midwifery. The National Center for Health Statistics NCHS reports that among the five racial and ethnic groups measured in the National Vital Statistics Survey NVSS in 2014, African American women had the highest percentage of preterm singleton births at 11.

A third set of factors focuses on social isolation that the elderly may experience.

## **Social Security History**

Several commenters asserted that because studies have shown the rate of false reports of sexual assault to be low and because rates of sexual assault are high, Title IX must offer protections to complainants rather than seek to protect rights of respondents. The child must be no more than 18 years old. SAMHSA, an agency within the HHS, aims to reduce the impact of substance abuse and mental health in America, and its Minority Fellowship Program is a grant initiative that provides funding to organizations to build out a pool of mental health practitioners that can serve communities of color.
