Tistou: The Boy with Green Thumbs by Maurice Druon

It had to be unmasked, discouraged, chased away, while good health had to be tempted to return, then held tight and prevented from running off.

Tistou of the green thumbs (1958 edition)

. Frequently he turned down commercial successes because he thought little of the works' literary merit.

Greenfingers (2000)

I first read this in 4th grade, and have always wanted to read it again. A prison inmate with a green thumb goes on to compete in a national gardening competition. Adults will enjoy the thoughtfulness of story and the questions that it poses, while Tistou is a young boy with a mouth full of questions, a head full of optimistic thoughts, and a magical thumb that sprouts luscious greenery instantaneously.
