Though broader in this northern section, the troops found themselves much embarrassed by the throng of Indians, who, not content with gazing on them from the boats, climbed up the causeway, and lined the sides of the roads. Yet further, when the object of the painter, instead of being limited to the present, is to penetrate the past, and to gather from its dark recesses lessons of instruction for coming generations, we see the dawning of a

literary culture, and recognize the proof of a decided civilization in the attempt itself, however imperfectly it may be executed.
