They are taken, however, from the series 109 to 147. This we find in Origen.

**The Liturgy of the Hours: Sing the Hours**

The is said in the low voice.

**Vespers**

The reason of this is that introduced in the cursus, another hour—that of—which was prescribed to be celebrated in the evening, and which might be considered as a kind of doubling of the Office of Lucernarium. Psalmody Singing or recitation of Psalms follows the hymn. This reading may be followed by a period of silence or a brief reflection.

**The Liturgy of the Hours: Sing the Hours**

Therefore, as part of this relaxation, there arose the custom of maintaining the liturgical schedule in its long-standing order None, Mass, Vespers, breaking of the fast, but anticipating to the morning or later morning the services which were originally proper to the afternoon and evening, so that one could break the fast earlier. The priest ends with a long prayer invoking the intercessions of the saints and the. .

**Lauds and Vespers (Morning & Evening prayer)**

The , the , and, to a certain extent, the , have preserved the lucernarium cf.
