## African Renaissance: Opportunities and Challenges

In the context of this case study, the highest demonstration of this virtue was shared by a current employee who was rescued from being homeless by the MD of PNP, given his first job as a security guard and has risen to become a human resource officer in the company. However, deviating from the custom requires courage.

## African Renaissance: Opportunities and Challenges

Trade kills people; it drives people to poverty; it creates wealth at one end and poverty at another; it enriches the powerful food corporations at the cost of marginalising poor peasants, who then become economic refugees in their own countries or who those who are able-bodied attempt to leave their countries to look for employment in the rich countries of the West—across the Mediterranean from Africa to Europe, across the Mexican border with the USA, across the seas from South Asia to Australia.
