## Business Law

And hence the legal landscape too has changed. In 2017, President Trump signed legislation overturning the internet privacy protections originally put in place by the Obama administration. Every business has to maintain an ethical conduct but most businesses, in the greed to earn more profits; do not follow such conducts.

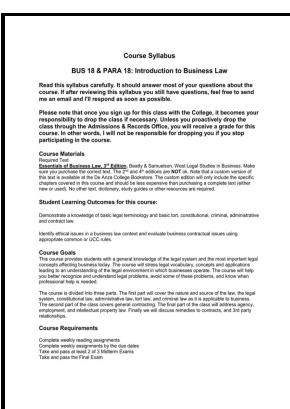

## Understanding business law, 8th edition (book)

It discusses the statutory provisions and the intricacies of law and explains the logic behind them.

## Why Should Business Students Study Law?

The state and local governments establish their own rules and tax rates. The mediator suggests alternative solutions and helps the parties negotiate a settlement.
