The Belgrade Followup Meeting to the Conference on Security and Cooperation in Europe: A Report and Appraisal

In 1972, the year of the first Earth Summit which was held in Stockholm, the reform-minded vicechairman of the Japan Socialist Party Eda Saburō lamented that Sweden was greatly respected internationally due to its forward-looking activities in the environmental and seismological fields, while the economic great power Japan was not held in esteem because it behaved like the economic animal it was described as. Management Books Globerson S, Shtub A, Zwikel O Y, Project Management - Planning, Execution and Control Israel, Probook, 2008 , 2 Ed.

Japan and the challenge of human security: the founding of a new policy 1995

In scrutinizing to what extent human security appeared in important speeches presented by these officials in the successive governments from Murayama to Koizumi, a shift in how the Japanese government has handled human security can be detected. The US bases on Japanese soil created a permanent structure of control over Japan. The event is being organized in cooperation with the Nordic Centre for Gender in Military Operations - Swedish Armed Forces, and the Croatian Armed Forces.
