### Sanseido Kokugo Jiten. The Sanseidō kokugo jiten, or the Sankoku for short, is a general

This Heian dictionary adapts the ancient Chinese Erya dictionary's 19 semantic categories into 24 Japanese headings with subheadings. They also publish the analogous dictionary, a lexicographical sister that shares several of the same editors.

### Release of the Electronic Dictionary "IC Dictionary SR"

Kenbō began working with its chief editor Kindaichi Kyōsuke on the 1st edition 1943 and was an editor on the 2nd edition 1952. Daijiten has been reprinted twice in compressed editions, the most recent being a two-volume version with four pages reduced to fit on one and an accompanying magnifying glass for readers with postpubescent eyes.

### 国語

This system is inefficient looking up a word unless the dictionary user already knows its meaning; imagine, for example, using without an alphabetical index.

### shin meikai kokugo jiten : definition of shin meikai kokugo jiten and synonyms of shin meikai kokugo jiten (English)

Contains also a useful list of colours, and lots of explanations and examples of usage which make it easier to use and understand than the standard kokuko jiten. The last volume includes two useful indexes, one of all of the jukugo in the dictionary arranged by stroke count of the first kanji and the other of the jukugo listed by modern pronunciation.

### Japanese Mobile App Review: Sanseido's Gendai Shin Kokugo Jiten (三省堂現代新国語辞典)

Small Single-Volume Dictionaries Although the large single-volume dictionaries are the best general references on the Japanese language, their weight and bulk make them unwieldy and unportable. Other available features include an English conversation keyword search, concise dictionary search by Koujien field independent from the phrase search ; hyperlink; spell check; idiom phrase search; character reading, radical reading, radical stroke count, partial radical stroke count and total stroke count search; mode key ON; font size switching; history 100 items ; environment settings; and calculator features.

## **Reikai Kokugo Jiten**

According to Sanseido, all the editions have collectively sold over 19,500,000 copies. Emphasizing contemporary usage is one of Sanseidō kokugo jiten's most significant contributions to modern Japanese. Often the information I needed could be found in Daijirin.

### **kokugo**

While not as convenient for finding unknown kanji as the kan-ei dictionaries, this supplement at last provides readers of Japanese with the ability to look up all words — including those with unknown readings — in a single dictionary.
