### Nutritional Status of Children Participating in the Special Supplemental Nutrition Program for Women, Infants, and Children

Among the major sources of assistance are DOD's Office of Economic Adjustment, the Department of Commerce's Economic Development Administration, the Department of Labor, and the Federal Aviation Administration.

### Whatever Happened To The Iraqi Kurds? (Human Rights Watch Report, March 11, 1991)

The chair of Middle East Watch is Gary Sick, the vice chairs are Lisa Anderson and Bruce Rabb; the executive director is Andrew Whitley; the research director is Eric Goldstein; and the associate director is Virginia N. Sawyer Air Force Base 788 97 12.

### Report on DOC and DON measurements made at Scripps Institution of Oceanography, 1988

Although the real grounds for persecution were probably economic, the government used the Faili Kurds' religion as a pretext to claim they were really Iranian -- Iran being a Shi'e country -- and should therefore move. At least 50,000 Iraqi Kurds crossed the Iranian border after the bombardment of Halabja in March 1988.

### Military Bases: Update on the Status of Bases Closed in

The bulk of this land 68 percent is expected to be conveyed to communities under either no cost public benefit conveyance authorities or under the economic development conveyance authority. After the bombing of Halabja in March 1988, Iranian helicopters were waiting at the international border to ferry wounded Kurds to medical stations.

### Active Measures Working Group

The decrease in GM BLL was similar across age groups. I had a mask and protective clothing on.

According to KDP sources, some of the Assyrians may even have been peshmerga fighters. Since the initial round of closures was announced, the disposal process has undergone a number of changes to enhance the possibility that reuse and economic development will result from the closed bases. Baghdad responded vengefully to the end of the uprising, deporting some 250,000 Kurds -- not just the peshmerga families -- to southern Iraq.

#### **Blood Lead Levels**

The quality of the group's membership declined as both the CIA's and FBI's longest serving group members distanced themselves and began sending younger, less experienced participants in their place.
