Despite all this, Enovid was approved for short-term use in October 1960. BD: But he was very uncomfortable as a member of the elected government. Urban legends circulated around Ms.

## These Four Black Women Inventors Reimagined the Technology of the Home

This book is more detailed, more deeply researched and promises to give a less subjective account of the elusive icon. Caldwell was still capable of great work when the circumstances permitted. Soviet orchestras had American conductors and soloists, and we had the Soviet conductors, and the string quartet had two Americans and two Russians most of the time.

## Back in Time: Sarah Caldwell at the Met

Caldwell's leading soprano during the 1970s and '80s, once said. It came and it went. Many of us conceptualize technology through a modern—and limited—framework of automation, computerization, and digitization.

## Opera Conductor and Impresario Sarah Caldwell, 82

She had lived in Maine since 2003. Today those roles are sung by countertenors, or by women.
