Preaching Christ from Daniel

Greidanus mentions that the whole Old Testament throbs with a strong eschatological beat, but his method does not consistently point to the overarching goal of the cosmos, the eschatological consummation of the Kingdom of Christ.

Sola Scriptura

This runs contrary to the Protestant notion of the perspicuity of Scripture and its self-interpreting nature. Progress in the field of Biblical research made possible by archaeological discoveries etc. Certainly the two are at least in perfect harmony and always support each other.

Ten Deficiencies of Sola Scriptura as a Rule of Faith

And I have many wonderful dear protestant friends who have love of Jesus and a love of scripture and I appreciate them, especially when they work with Catholics to defend the unborn, for example. If someone had mentioned 'redemptive-historical' before I was given this book I would probably have confused it with 'historical linguistic' and 'christocentric'. Next week, he will elaborate on some of his experience with preaching Christ from the Old Testament and a bit of history on the subject.
