Salman Rushdie

And newness: the novel, as its name

Filesize: 63.11 MB

suggests, is about the making of the new.

The Satanic Verses controversy

So the way in which books are now marketed runs counter to my instincts. I mean, obviously he isn't real-real.

Salman Rushdie and the Iranian Fatwa

Reprinted in Sita Ram Goel ed.

The life and death of Salman Rushdie, gentleman author

In other ways, though, Fury is another atypical novel. This man is, obviously, dangerously insane, but he's also just so.

The Books

It's layered in such a way that you will lose yourself in the shifting reality of it, forget whose imagination you're visiting, hate the narrator for the dad-joke softness of his voice and constant flashbackery and maybe even toss the whole thing aside a couple times — done with it. Because he is the creation of a mid-list spy novel writer named Sam DuChamp who came up with him one day when it occurred to him that his entire career had been built on lies and secret identities and that what he truly wanted before the reaper caught up to him was to write something real.

Book Review: 'Quichotte,' By Salman Rushdie : NPR

Rushdie, however, was supported by major bodies in the literary world such as and , and prominent figures such as , , , and . So I bring it as far as I can before I show it to anyone. The book acquired the name from the alias that he used during those nine years — Joseph Anton.
