Naqa & Musawwarat es Sufra

In addition to the two ramps that might have been used for the big animals to go up and down, and also in addition to the statues of elephants that can be found in the vicinity, there exists a tremendous collection of elephant carvings throughout the Great Complex.

Musawwarat es

We returned to South Africa in October 2010 thinking we'd be settling at home for good. While many opinions as to its purpose have been voiced, including an elephant training station, a desert palace, a pilgrimage centre, a national shrine and the main sanctuary of Apedemak, the function of the Great Enclosure is still debated and a focus of ongoing research. Significativo es el número de representaciones de elefantes en los templos, lo que sugiere que este animal desempeñó un papel importante en Musawwarat es-Sufra.

Naqa & Musawwarat es

The site has two notable temples, one devoted to Amun and the other to Apedemak which also has a Roman kiosk nearby.

Site

Traces of the movement and transformation of ideas and knowledge within the ancient world are manifest in the thousands of graffiti that were incised over more than 2000 years into the walls of the so-called Great Enclosure, a unique, labyrinthine building complex forming the centre of the site.

memorable meanders: Musawwarat es Sufra

Two columns in the shape of striding deities were restored; round columns with reliefs in Egyptian style were likewise restored. This is a rambling structure of low walls, toppled columns and several reservoirs. The city of Meroe is not comparable to Egyptian residences.

Naqa & Musawwarat es Sufra

It features a traditional Egyptian floor plan of an outer court with a colonnade and a hypostyle hall. We have personally visited every place, restaurant, accommodation or attraction. Musawwarat, the Lion Temple Musawwarat, the interior of the Lion Temple Only 1 km west of the Lion Temple, there are the ruins of a large complex called the Great Enclosure, a structure with low walls and toppled columns, a temple dedicated to Apedemak and two reservoirs.

Naqa & Musawwarat es

Hay muchas esculturas de animales, como elefantes y la mayoría de las paredes del complejo contiene grafitis tanto pictóricos como en letras meroítica o griega.
