Finally, please indicate if your preference is for an indoor or outdoor table. It is also very difficult to post client cases from my perspective; when I see other art therapists doing so in public formats like Psychology Today, I wonder if they have obtained all the specific permissions for Internet

Music therapy is the prescribed use of music to effect positive changes in the psychological, physical, cognitive, or social functioning of individuals with health or

publication. Students could learn how to create art using hands-on approaches or study the theories behind using various mediums.
