## Globalization and the Emergence of Cosmopolitan Memories

. Historical contexts may not encourage us to look closely at the meanings we ascribe to the past either, because they are presented as facts rather than interpretations. Testifying Absence in the Era of Forensic Testimony.

## The Armenian Genocide in Kurdish Collective Memory

As we will discuss further in section 4, arguments for material transfers may appeal directly to principles of corrective justice.

## Representations of slavery

Deferment of the hearing of , challenge to the and , petitions concerning the plight of the elderly and their right to dignity, a hesitant intervention in aid of the Corona migrants and misplaced priorities in the hearing and disposal of cases have added to the blemish. Literature Mnemosyne was not only the goddess of memory; she was also the mother of the Muses, the goddesses of the various arts.

## Building a collective memory: the case for collective forgetting

Most theorists of reconciliation allow that, not only pairs of individuals, but also groups can be reconciled. Is forgiveness genuine if the victim refuses to restore her relationship with the wrongdoer? In the context of transitions to democracy, some scholars concentrate specifically on the significance of trials in response to collective and politically significant crimes, such as those involving human rights abuses by officials. In non-transitional contexts, fundamental political change is rarely on the table.

## Table of contents for The politics of regret

Yet all provide a shared focus for memory.
