Thus he dismissed the statement of realization by which Hui introduced himself and sent him to work in the kitchen, taking good care that no one would come to know the newcomer already had some realization and was on his way to becoming an outstanding practitioner.

**Issues**

Therefore, only Anuyogatantra can allow us to apply the Path of transformation very effectively in daily life. What is essential is that we understand that, so long as the delusion called avidya or marigpa persists, we will never reach complete plenitude, absolute value, total pleasure or true happiness, and there will be no way to put an end to duhkha. Thus there can be no doubt that only progress on the Path of Awakening would give rise to a genuinely virtuous conduct—which, if generalized throughout our species, would allow it to enter a new Golden Age, Era of Perfection or Age of Truth.

**The Tibetan Tradition of Reincarnation and CCP's Assertion to Reign Sovereignty over "Living Buddhas"**

After the explanations in the last chapter and those provided so far in this chapter, the fact that entering the transpersonal sphere cannot give rise to the true, absolute sanity Buddhism calls Awakening must have become crystal clear. After their world turned upside down. This book is dedicated to Chögyäl Namkhai Norbu, Tibet-born Dzogchen Master who communicates the teachings authentically in what I believe was the original way,

who has diffused the way of structuring the teachings I deem most suitable for our time, and who is source of inconceivable skillful means.
