We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. Israel refuse Talut as king since he was poor and from a different lineage.

The Bantu Branch of ‘Africans’ are Hebrew Israelites PART I of II

The Shemitic Negro, who took up residence in Africa and there became known as the Niger-Congo Bantu, among infinite alternative tribal epithets, is the Israelite through lineal-heritage. Having the understanding that the Bantu are Israelites is integral in order to gain a broader and more accurate comprehension of who the Israelites are, where their descendants are located, and what contributions they have made to the world.
