## Car Calculator

Having underinflated tires make your engine shed about 6% even more gas so make certain you check your tire stress regularly. DO NOT pour down a sink or storm drain.

## New & Used Car Buying Guide

Below, we provide the essential information you need to choose, buy, finance, and maintain your new ride, as well as tips on what to do with your old car.

## Car Care Guide

With the TPMS, one of these symbols will light up on the dashboard when any tire is 25% under-inflated. These how-to videos will walk you step by step through the Pinnacle car care process. Check to see if there are repetitive problems, such as serious and expensive issues with the transmission or engine.

## Recommended Tire Pressure Check

The truth is, tires lose pressure daily. Correct air pressure should also be listed on the tire placard attached to the vehicle door edge, doorpost, glove box door or fuel door. CHECK AIR PRESSURE REGULARLY Most people forget about their tires until something goes wrong.
