## Walter Scott's "Rob Roy" @200

THE TWO SONGS that follow illustrate vividly the contrasting perspectives on life in Glasgow before the slum clearances at the close of World II.

### "Not the Good Fortune . . ." (1803)

The direct descendants o Scots Hielanders war nae the anely fowk in the Unitit States tae speak the language, houiver. Such as: alcoholism, old age, changing of the times, social deprivation and family.

### The Holy Tulzie

In February 2021, it was announced that would direct the film.

### Nova Scotia symbolically repays Viola Desmond's \$26 fine from 1946 theatre protest

He was so randy and so lecherous, He could not be content with just us seven! King Malcander gave orders that the tree should be cut down and fashioned into a great pillar for his palace. Going to my lodging house that evening I met an acquaintance who asked me why I had my arm in a sling. Time spent in childhood games provided a necessary break from the otherwise dreary, closed-door existence of tenement Glasgow.

### BURNS

At a big meeting it was decided that it was certain to be erotic and full of double meanings, and therefore could not be played on 'Two Way Family Favourites'.
