**Laurie Shrage**

Visiting prostitutes, being in this community we have a well working website is a type of addiction.

**Moral dilemmas of feminism : prostitution, adultery, and abortion in SearchWorks catalog**

Prostitution, in general, represents less of a threat to a marriage than an affair would. Do you think it would be emotionally damaging, for men to have sex with women so casually? Not much has been discussed here about the good of it other than reproductivity. I would not want my female relatives to be working in any excessively dangerous or demeaning occupation.

**Abortion: An Ethical Dilemma**

Once they have kidnapped him, they drive him to a special fortified building also paid for by money taken from the public by force and they drag him out of the van, confiscate his wallet and phone and throw into another cage.

**Moral Dilemmas of Feminism: Prostitution, Adultery, and Abortion (Thinking Gender) eBook: Shrage, Laurie: quizapp.evertonfc.com.au: Kindle Store**

So many 30+ men act like children. I was referring to the simple act of man-woman intercourse that most female prostitutes engage in, that the general population considers to be a degrading act.

**Moral Dilemmas of Feminism: Prostitution, Adultery, and Abortion (Thinking Gender) eBook: Shrage, Laurie: quizapp.evertonfc.com.au: Kindle Store**

To pay for a prostitute supports the industry as a whole and contributes to keeping the demand in tact. She amassed enough money to go home and open a hair salon.

## **Moral dilemmas of feminism : prostitution, adultery, and abortion : Shrage, Laurie, 1953**

Which leads me to your third point I consider the current system of prostitution to be unethical in general and hence do disapprove of it 3 Because the system is unethical, it is exploitative to hire prostitutes. Any discussion that involves the ending of a life, a life that never asked to be conceived in the first place, leaves the woman with the problem of deciding when it is right to continue or end that life cycle. I consider that a tragedy for mankind.

### **Abortion: An Ethical Dilemma**

Many are studying hard to get their degrees. Unfettered capitalism undoubtedly leads to exploitation, however a market economy constrained by regulations to protect workers by, for example setting minimum wages and hours of work works well and has promoted more personal and economic freedom than any other system
