A GUIDE TO THE SCIENTIFIC KNOWLEDGE OF THINGS FAMILIAR

Blowing lighted tinder carries oxygen to it and quickens it, in the same way as a pair of bellows quickens a dull fire. Warm, dry incinds will convert the substance of clouds into invisible vapor, which tiiey wilt carry away in their own current.

A GUIDE TO THE SCIENTIFIC KNOWLEDGE OF THINGS FAMILIAR

Because the electric fluid called lightning always rushes down the outside of the tree or spire; and if any one were standing near, might pass through him, and kill or maim him.

A Guide To The Scientific Knowledge Of Things Familiar, by Ebenezer Cobham Brewer—

What produces cumulus clouds 1 A. Each page is checked manually before printing.

A Guide to the Scientific Knowledge of Things Familiar

Q, How do HYDROGEN gas and carbon get t? The conversation ivasnbul smoke — why it was blaci;, and not white like the fine dust of lime. Because each sheep is a conductor of lightning, and the greater the number, the better its conducting power; besides, the vapour arising from a flock of sheep increases its conducting power, and its danger. I have no staff, no interns, not even an assistant — a thoroughly one-woman labor of love that is also my life and my livelihood.

A Guide To The Scientific Knowledge Of Things Familiar Part 71 Online

A remnrlajle instance camo before Iho auhlor a ftw montlis since of tjiو Ktacment mailu in llje early part of this preface. Illustrations, Index, if any, are included in black and white.
