It gives the story introductions a certain -- flair. Creases to the spine with light edgewear to cover.

The Earth Book of Stormgate 2 by Poul Anderson

The series spans two-to-three centuries and connects with his Flandry series, dealing with the fall of the Terran Empire. It's worth noting that despite being the only man on a world of women, Bertram is remarkably unlucky at love. All pages and cover are intact.

Polesotechnic League

Pages contain marginal notes, underlining, and or highlighting. I may have read some of the stories when they were first published but they all seemed new to me and I enjoyed visiting Anderson's universe. It is the first of several stories, but I am not interested in reading any of the others.
