The Kandariya Mahadeva Temple is one among those glorious examples along with the Taj mahal in India and the Angkor Wat Khmer Temple in Cambodia.

**It is in the mind that the world that is called Mohabbat, will it be the same?**

Inside the temple, Mount Kailash has been depicted by the main spire or Shikhara and it has a height of around 31 metres. Undeterred, they bided their time, staying in a secret location for a week, away from media glare and police surveillance.

Both on the exterior and interior of the temple walls, the pillars and the ceilings has the depiction of the four basic pursuits of life; Moksha, Kama, Dharma and Artha.
